### LUBBOCK.

Shoe Party.

Misses Effie Norris and Mora Wright entertained a crowd of old and young bachelors Wednesday evening, also a crowd of pretty young ladies at the same time. The ladies wore the latest up-to-now jumpers and walking gowns with trains and buttons, with button holes to match.

The bachelors wore any old thing they had with shoes and hair to match. The game was "42," with shoes on the table, shoes on the coat, shoes on the polonaise, and shoes on the feet. They began to chew the rag at 9:01, also to button shoes.

Every time you won a game you got a brass button for your shoe, and played until 10:35, when there was brought out some square white cloths with holes all over them and spread on the table, then they brought out some hand-painted silver cups with some cold red stuff in them that you eat with little spoons, also some square things painted white, with the thumb and middle finger you pinched off a bite and it tasted sweet.

Then everybody told Misses Norris and White that they had an elephant time then they had to go home. Those present were: Misses Wilkerson, Sawyers, Huff, Rouse, Crockett, Nevada, Cassidy, Brown, Hooker, Clark Rucker, Mesdames Collins and Wheeler, and Messrs. Mount, Grundy,

Gordon, Lester, Perry, Wilson, Porter, Wright, Phillips, Kimmel, Symes, Powell, Wheelock, Morrow and Watson.

### MCLEAN.

Clean-Up Day April 28, 1913. The following is taken from the McLean News:

"We wish to again call the attention of the public to the fact that April 28 has been set apart as clean-up day in the city of McLean and hope that every citizen will respond to the call for a cleaner and better city by doing some effective work along the lines suggested on that day."

"We are authorized to announce that the city will have wagons and teams on hand to haul away all the accumulated trash and W. T. Wilson, one of our livest boosters, has also agreed to furnish a wagon and team for that purpose."

"All trash will be carried away free of charge if it is put in convenient piles, and we can conceive of no plausible reason why every owner of property within the city limits cannot comply with the specifications of the mayor's proclamation and have their premises cleaned and the trash put in convenient piles for collection by the wagons."

"Let us all contribute this little mite to the grand total of good to our home city."

### MEMPHIS.

Beautiful Trophies Received for Prizes in Clean-Up Campaign.

The seven loving cups to be used as prizes in the clean-up campaign were received last week and are now on display at the jewelry establishment of Charles Oren. These trophies are very beautiful. They are furnished silver, gold lined and mounted upon a beautiful black ebony stand. Every citizen should make a strong effort to be awarded one of these beautiful gifts as they will be an ornament to any home. Should the same party be awarded one of these handsome prizes the second time; it is then their property for life. A nice show window will probably be placed in the commercial club room where these loving cups may be seen by all.
